

Training

Our courses are designed to improve outcomes for children and young people with additional needs.

The quality of our training is widely recognised and draws upon local and national guidance and experience gained from over 25 years of working in partnership with parents and professionals.

Our Training:

- Helps Parents and Carers become more confident in supporting their child and in working with the practitioners they meet
- Helps professionals develop their settings and their practice to become more inclusive for individuals with additional needs
- Encourages people to work collaboratively on behalf of children and young people
- Helps develop a high quality and skilled Welsh workforce

Why Choose Our Courses?

- We are passionate about HOW you learn and ensure our training courses are stimulating and above all enjoyable. You will be taught by experts in the field
- Training is as interactive as possible. This is backed up with presentations and discussions to deliver relevant information in an easy to digest format with well designed supporting materials

- In evaluation 100% of participants said they would recommend our training to others
- Courses are friendly, informal and run in small groups. This gives you plenty of opportunity to discuss individual issues, problems and solutions with both the tutors and other participants
- Attending a SNAP Cymru course allows you to 'tap into' a wealth of experience and support and ongoing support is available from our development teams across Wales
- Because no one individual or organisation is the same, we make sure that all our training is tailored to fit. We also provide in-house training or we can design a complete course to suit your requirements
- We offer very competitive prices for our courses

Our Clients Include:

- Parents, Foster Carers and young people
- Health Professionals, Social Workers, Youth Offending teams, Careers Advisors
- Specialist Teachers, SENCOS and Learning support Assistants
- EY's Providers, Health Visitors and Portage Workers
- Service Managers, Head Teachers and School Governors.
- Third sector employees, volunteers and students
